

=Refund policy after enrolment =

A. When tuition fees can be returned.

This applies to students who have applied for withdrawal by the end of November of their second year of enrolment. A fee of 20% will be deducted from the balance of tuition fees from the fourth month following the month in which the withdrawal application procedure is completed, and the fees will be refunded.

For example, a student in the April 2024 term (April 2024 - March 2026) who applies for withdrawal at the end of July 2025 in the second year. We will refund the remaining tuition fee from the fourth month after the end of July 2025 = November 2025, which is 275,000 yen, after deducting a 20% fee.

B. Cases in which tuition fees are not refundable.

- (1) If a student withdraws within one year of enrollment, no refunds will be given regardless of the reason.
- (2) If the student withdraws from the school after December of the second year of enrolment, there will be no refunds applicable to the above cases.
- (3) In the case of expulsion, tuition fees and other paid expenses will not be refunded.
- (4) . "Facility and utility fees" and "textbook and extracurricular activity fees" for the second year will not be refunded.

C. Others

\*1 Transfer fees for the refund of tuition fees are to be borne by the student.

\*2 Disaster insurance fees are non-refundable as they are covered by a group insurance policy.
